FORENOTES AND ACKNOWLEDGMENTS

An advantage of writing one's first novel at standard retirement age, after decades of railing for righteous causes, is it provides the perfect occasion for 'lightening up.' Which isn't to say *The Truman Prophecy* deals with light or trifling issues, more that we should keep the Ice Ball Theory¹ in mind.

So please do not take anything herein too personally... or too, well, *seriously*. Only personally and seriously enough. My characters are clearly carrying on a grand polemic drama that implores the reader toward a grand individual decision. True or false? Independent or drone? Free or slave?

Red pill or blue pill?

... bringing up a major point: The Prophecy often tries to simplify its message via several longstanding cultural symbols—mainly movies and books—with which it assumes most readers are familiar. The red pill/blue pill choice comes from the 1999 movie, The Matrix; the book title itself relates to The Truman Show (1998) movie.

Other key symbols that show up at various times: Movie: The Wizard of Oz (1939); movie: Invasion of the Body Snatchers (1955); novel and movie: The Fountainhead (1943, 1949), by Ayn Rand; short story: The Emperor's New Suit (1837).

The latter piece by Hans Christian Andersen is the most apropos to the political thrust of the *Prophecy*. Which boils down to the Little Boy pointing out the obvious Big Lies of the royal entourage, while polite society recoils in disbelief... that anyone *dares* to question the King's official phantasm(s).

So easy does it. My Little Boy's stating the obvious will be unfamiliar, uncomfortable territory for readers still under Big Brother Media sway. I only ask that they (you) set your own eyes on the reality, think, and not look away.

¹ Ice Ball Theory: In a billion years or so, Earth will be an inanimate sphere of ice (or lava, or rock, etc.) and what we're doing, ourselves, in the next several thousand years probably won't mean much in the material world.

Remember, truthers only know that official stories are bunk; truth is determined by trial jury after grand jury indictment.

What's the difference between a prophecy and merely a story portraying a struggle for truth, justice, and liberty? Well, a prophecy asserts something of the result of the struggle; *this Prophecy*, frankly, conveys that the struggle will be successful. People will come to an awareness, an Independent Being consciousness—and declare themselves accordingly—in time to avert any Cosmic Bad News Scenario.

Note, too, that actual prophecies—of which the Truman is one (tongue in cheek)—are typically formed vaguely or nonliterally enough to admit a fair amount of deviation without being discarded. 'The Prophet' is fairly specific on events throughout 2016, and I (qua ghost writer) do envision them occurring (and will work diligently with others to see that they do). But if they don't happen exactly that way or of that scale, please don't slit your wrists or insist that I slit mine.

Let's content ourselves, in the case of nonliteral success, with having created a benevolent Virtual World—a vision to encourage subsequent iterations.

Some construction comments:

The novel includes plenty of journalistic reality. But characters to whom I've attributed actions germane to Prophecy Fulfillment I have tended to give fictional names.

In the table of contents, I draw attention to distinct, standalone segments of 'code' that help to illustrate the narrative or supply key lists [like the Threat Matrix (p. 24)]. Two of these recurring segments given special bolded headings are the '**10 Easy Pieces**' (ten pertinent facts that are not disputed by either side of an issue) and the '**Interlodes**' (page-length connective narrative, often lighter and character-driven).

ACKNOWLEDGMENTS

To the brave souls carrying on the fight for truth, justice, and liberty, and people who have helped me; sorry to miss anyone. No special order: David Lonier; Shane Trejo; Dennis Marburger; Pete, Doreen, Katie, and TJ Hendrickson; Rose Wright; Arleen Kuehn; Richard Kennedy; Dave Hooper; Randy Szabla; Pat Heller; Jim Dodson; George Meegan; Ayumi Woodman; James Lee Valentine; Dr. Tanya Dejkunchorn; Claudio Marty; Michael Atkinson; Dale Haviland; Gordon Bird; Brett Elkins; Rip MacKenzie; Jason Brandenburg; Jon Rappoport; Brother Karl Jackson; Dean Hazel; Daniel Simon; Dane Wigington; John Taylor Gatto; Josh del Sol; Barbara Loe Fisher; Jim Babka; L. Neil Smith.

ABOUT THE AUTHOR 270

Now the screw turned toward this very volume.

In the writing, Chance frequently felt the hand of destiny. Also, fate seemed in play in setting up the project, providing the time window, seeding the idea crops, and laying out the routines of his life to keep him invisible to the authorities 'til the last possible moment.

Does destiny ever become *pre*destiny? He wondered.

A question for deeper thinkers with time on their hands...

So what was it to be, then? What the Prophecy, and what learned in the writing?

BIG PICTURE

The essence of the Truman Prophecy dawned on Chance as he viewed the *Thrive* video⁸ by Foster and Kimberly Gamble. *Thrive* turned Chance's vision of the future into likely reality. Hence, *prophecy*. The film also informed his analysis of current affairs, bringing to his imagination a specific political plan whose broad points already have been listed (p. 11).

... also to be fulfilled as shown in the flow of his pages.

As to what learned in the writing, Chance was destined (!?) to fortuitously stumble upon what might well eclipse the entire positive earthly, political Truman forecast:

THE SPIRITUAL 'MAGIC MOVE'

One night late, the computer and all the other electronics being shut down in preparation for bed, Chance happened to take note of his cat sleeping on the chair. Of a sudden, he was taken into her 'stillness' or else it was absorbed into him.

Aha, he said to himself, "Eureka Bingo!" Finally. Perhaps he had found the Deep Quiet/Infinite Eternal, terms he had coined to convey the indescribable inner calm—what his favorite spiritual teacher, Eckhart Tolle (*The Power of Now*), would call Being... or Source—available to all who wish to tame the Beast of the Insidious Head Noise.

Chance dwelled there in the quiet zone for a good five minutes then went on to bed. In the morning, because he awoke so refreshed—with an effortless inner flow of energy lasting the entire day—he decided to reverse-engineer the process.

⁸ http://thrivemovement.com/the_movie

What emerged from Chance's practical imagination was the following shortcut cultivation method—an everyday procedure easy for anyone to perform. Regular practice brings a virtual *satori*, daily, yielding great energy and imagination.

THE PROPHET'S SPIRITUAL MAGIC MOVE (THE MOVE)

The process takes anywhere from 3-5 minutes in the midst of one's day, 10-15 minutes before night's sleep or before rising for the day, or 25-30 minutes for full meditation. I call it the Breathe, Center, Watch, Be, Flow (BCWBF) practice.

1. Breathe deeply into your center, your diaphragm, taking five-second inhales and exhales as the norm. You may do this from any position that remains relatively motionless, and as you become more proficient, any position at all. Several sources exist that will help you learn how to breathe properly and deeply with your whole person.

2. Center your 'you' or natural self to your body's physical center of mass, typically just under the diaphragm. Until one reaches full consciousness, habitually one's 'you' exists or moves upward in your body into 'Mind,' which then takes you over with compulsive inner chatter. Centering extracts 'you' from Mind and puts 'you' in charge.

3. Watch from the center all your parts, especially your mind. Start with awareness of your extremities, then relax all the areas of your physical body one by one. Then watch Mind—a good technique is to 'let Mind go' where it will in a rapid sequence of 'thoughts' discharge its nervous energy. This is a key step, because it quiesces the mind.

4. Be or reside in that place—the Deep Quiet or Infinite Eternal—for as long as is practical for you at the time. This place is Being itself (all of existence regarded as a unit); spiritual teachers refer to it as the Inner Body. Indeed, Chance found the Magic Move by entering the Deep Quiet through drawing in a special moment of stillness.

5. Flow of energy without resistance, internally and externally, is the natural result... of the above sequence. Source and Flow. Unmanifested and Manifested. Living from the Deep Quiet lends a distinct quality of joy, ease, and lightness to one's life. People and other living beings, likewise, feel your peace presence and are drawn to 'you.'

Make this Magic Move a part of your daily meditative routine.

Like all shortcuts, the Move is not intended to replace your deeper spiritual cultivation practices or exercises, such as Yoga, ChiGong, Falun Dafa, and so on. Nor does it substitute for lifelong learnings along these lines to produce your own Authentic Swing... and sharing its foundations forward.

THE 'JOY, EASE, AND LIGHTNESS' VEIN

After writing the Spiritual Magic Move⁹ Chance emailed it to his longtime friend, Patrecia Bartlett, who since his mother died had become his confidante.

"So, Patty, have you had the chance to read the 'Move?'"

"Yes, I have," she replied. "Good stuff, I use it constantly."

"Great," he said. "I want to get your opinion of an idea I have for making it part—perhaps even *the* part—of my Truman Prophecy message."

"Okay, shoot."

"I've had this thought before," started Chance. "Namely, that political change proceeds from the inside out... in each individual. In other words, instead of railing directly against the wrongs of the world—which are ultimately caused by unconsciousness—we do much better by encouraging consciousness. That is, sharing a meme, person by person, of positive spiritual transformation... a meme like 'the Move.'

"You mean, cultivate liberty by sowing enlightenment."

"You mean, cultivate liberty by sowing enlightenment."

"Exactly!" said Chance. "It's an idea I've tried to apply from Eckhart Tolle. Right on target is Lao Tzu's two cents:

"If you want to awaken all of humanity, then awaken all of yourself. If you want to eliminate the suffering of the world, then eliminate all that is dark and negative in yourself. Truly, the greatest gift you have to give is that of your own self-transformation."

"This Joy, Ease, and Lightness (JEL) approach—after how many people have told me they feel most days since making 'the Move' routine—not only enriches our lives pursuing the cause. It stands to convert opponents of the cause."

"Bingo-Eureka!" she laughed kindly.

"That's it then," Chance concluded, "we're in the business of selling joy, ease, and lightness; Toto, Dorothy, and the Independents are but the telltales of full consciousness."

⁹ The term 'Magic Move' comes from golf. It was a repeatable body part movement sequence that legendary teacher Harvey Penick proposed for recreational golfers to produce a successful—or at least decent—full swing.

INTERLODE: "SOME OF MY BEST FRIENDS ARE ZOMBIES." [!]

In the peak years of the Ayn Rand movement—when her then intellectual heir Nathaniel Branden was in good graces and writing for *The Objectivist* newsletter—he came up with a concept 'social metaphysics.' Chance remembers the detailed definition to this day:

social metaphysics: the psychological syndrome where an individual holds the consciousnesses of other men, NOT objective reality as his ultimate psycho-epistemological frame of reference.

Informal *zombie* = automaton, acting on orders from external forces. IOW, social metaphysician... run by the consciousnesses of authoritarian others.

The social reality most of us have grown up is driven by conformity... to what our parents, teachers, ministers, media (esp. TV) tell us is true. It's on a visceral level; we're conditioned with images to respond emotionally in ways that the pathocracy dictates. As the pioneer of modern mind control technology put it:

"The conscious and intelligent manipulation of the organized habits and opinions of the masses is an important element in democratic society. Those who manipulate this unseen mechanism of society constitute an invisible government, which is the true ruling power of our country." — Edward J. Bernays, *Propaganda* (1928)

[Note that the book uses the term/concept 'neurarchy' to denote those 'who manipulate this unseen mechanism.'] Further, because what the masses have been conditioned to believe is so base and *emotional*, they react violently vs. any individual person who brings factual evidence, conceptual argument, or logic to question their high-class zombie image/feeling response syndrome.

"How DARE YOU question <insert any of ~50 official story perceptions>?!"

"YOU are disgusting, always going off on tangents, a conspiracy whacko! YOU must be insane! YOU are evil and a terrorist sympathizer! YOU are a danger to America and must be put away, drugged into submission, silenced!"

Why? Because YOU doubt their bundles of approved perception (APBs).

Unstated is the premise that mainstream media conveys actual news.

Further, TV has changed our mental world fundamentally. Per McLuhan:

The whole tendency of modern communication [TV]... is towards participation in a process, rather than apprehension of concepts.

Chance saw, particularly when the *Thrive* video came along in 2011, that Independent human consciousnesses in the spiritual (also rigorously conceptual) truth and justice movements were turning the tide against consensus-reality trance-infecting mind control. Even though disturbingly large numbers of our respectable peer zombies continued to be stuck in Big Brother Media APBs.

The Solomon Asch conformity experiments of 1951 gave Chance an epiphany: They showed that many test subjects would assert obvious lies if confederate stooge test subjects did .AND. subsequent research revealed that the test subjects' actual perceptions *actually changed* to fit the lie. Leading to the insight:

If social metaphysics alters perceptions in order to conform, it can be applied—as enhanced by the Prophecy—to render most 'zombies' into Independents.

[!] Not to be taken literally. Zombie reads better than social metaphysician.

10 EASY PIECES — ROTTING BRAINS, PRUSSIAN STYLE

Do you know...

[Drawn mostly from a presentation³⁰ of John Taylor Gatto—NY City Teacher of the Year and NY State Teacher of the Year, author of *The Underground History of American Education*.]

1) We live in a time of great school crisis?

Our children rank at the bottom of nineteen industrial nations in reading, writing and arithmetic. At the very bottom.

2) Our form of compulsory schooling is an invention of the state of Massachusetts around 1850?

It was resisted - sometimes with guns - by an estimated eighty per cent of the Massachusetts population. The last outpost was in Barnstable on Cape Cod not surrendering its children until the 1880s when the area was seized by the state's military and children marched to school under guard.

3) Before compulsory education the state literacy rate was 98%?

After compulsory education the figure never again reached above 91% (where it stood in 1990).

4) The homeschooling movement has quietly grown to a size where 1,500,000 young people (~2 million today) are being educated entirely by their own parents in community?

... the education press reported the amazing news that children schooled at home seem to be five or even ten years ahead of their formally trained peers in their ability to think.

5) Schools were designed by Horace Mann and some other men to be means for scientific management of a mass population?

Schools are intended to produce through the application of formulae, formulaic human beings whose behavior can be predicted and controlled.

6) Although teachers do care and do work very hard, the institution is psychopathic?

It has no conscience. It rings a bell and the young man in the middle of writing a poem must close his notebook and move to different cell where he must memorize that man and monkeys derive from a common ancestor.

Page I of ii

³⁰ Gatto accepting the NY City Teacher of the Year Award on January 31, 1990.

7) Well-schooled people are irrelevant?

They can sell film and razor blades, push paper and talk on the telephones, or sit mindlessly before a flickering computer terminal but as human beings they are useless. Useless to others and useless to themselves.

8) The daily misery around us is in large measure caused by the fact that we force children to grow up absurd?

Any reform in schooling has to deal with its absurdities:

- a) **It is absurd and anti-life to be part of a system that compels you to sit in confinement with people of exactly the same age and social class?**— That system effectively cuts you off from the immense diversity of life and the synergy of variety, indeed it cuts you off from your own part and future, scaling you to a continuous present much the same way television does.
- b) **It is absurd and anti-life to be part of a system that compels you to listen to a stranger reading poetry when you want to learn to construct buildings?** —...or to sit with a stranger discussing the construction of buildings when you want to read poetry.
- c) **It is absurd and anti-life to move from cell to cell at the sound of a gong for every day of your natural youth in an institution that allows you no privacy?**— ...and even follows you into the sanctuary of your home demanding that you do its 'homework.'

9) Two institutions at present control our children's lives - television and schooling, in that order?

Both of these reduce the real world of wisdom, fortitude, temperance, and justice to a neverending, nonstop abstraction.

In centuries past the time of a child and adolescent would be occupied in real work, real charity, real adventures, and the realistic search for mentors who might teach what they really wanted to learn. A great deal of time was spent in community pursuits, practicing affection, meeting and studying every level of the community, learning how to make a home, and dozens of other tasks necessary to become a whole man or woman.

10) Children attend school 30 hours a week, use about 6 hours getting ready, going and coming home, and spend an average of 7 hours a week in homework, a total of 45 hours + 55 hours watching TV (out of 112 waking hours)?

During that time, they are under constant surveillance, have no private time or private space, and are disciplined if they try to assert individuality in the use of time or space. That leaves 12 hours (9 if you allow for meals) a week out of which to create a unique consciousness.

INTERLODE: SANDY HOOK: A HOAX TOO FAR?

COMMENTS AND BOOK REVIEW BY HIRAM T. CHANCE:

On Tuesday, January 5, from Newtown, Connecticut, Obama shed crocodile near tears for all the real and fake victims of the staged shootings we've seen escalate for the past half-decade or so... while PUSHING TO DISARM US. [Funny: he never cries for the Pakistani children his drones blow to pieces.]

The good news is that it actually appears to a reasonable certainty that nobody did die at Sandy Hook on 12/14/12. Why do I suspect this? Well, after reviewing the recent mainstream-publisher-'banned' book *Nobody Died at Sandy Hook* I must tentatively agree:

- School not operational
- No dead bodies
- Scheduled FEMA drill
- Fake persons, images, and documents
- Lying public officials and (inferior) crisis actors
- Foreknowledge; long-term planning by deep-state personnel

I'm not completely convinced, and am keeping an open mind. But I have to tell my readers that every new media appearance by those buying or selling the official story of SH just makes it clearer and clearer that the federal government and media are trying desperately to put one over on us for some very bad motives. [Not that the federal government or media would ever lie to us, of course.:)]

Here's a comment (all of them positive so far) on my book review from a serious longtime SH researcher:

"Thanks for a fair review of damning facts that expose Sandy Hook as a criminal hoax. The evidence documented in the book is overwhelming to prove beyond reasonable doubt that Sandy Hook was a dilapidated former school used for storage that was staged for a drill that was sold as a real school massacre." – Carl Herman

CONVENE A GRAND JURY, INDEPENDENT AND EMPOWERED!

I think Carl very likely has it right, SH was a false-flag CRIME that must be fully prosecuted by the people. Let's all continue to research the incident as dispassionately and independently as possible, but in the meantime convene an independent, fully empowered grand jury—probably a federal (2nd) district court—to answer all the hard questions. Are we the people up to such an act of reason and courage? Who will write the petition to the GJ?

PS: For those who feel Snopes or Wikipedia are objective sources of information about matters of this kind, *Nobody Died at Sandy Hook* effortlessly slices and dices their frail complicities. To cover up a crime and stonewall investigation after the fact is as much a crime as its commission. It's over. Stand down, and confess, now, to avoid more serious consequences.

INTERLODE: THE TURNING OF ANALYST SMITH

What she didn't tell Mr. Sally was that she had reached a personal breaking point with this Homeland Security business. Ana had come on board in 2012 with a mixture of hero-worship and strange affection for the then-secretary of DHS, Janet Napolitano. They were close to the same age.

Ana identified with Nappy's pluck, becoming attorney general (top state law enforcement *henchperson*) then governor (top state mob *boss*) of Arizona and inserting herself as she did, at the highest level, into the male-dominated world of America (.AND. for chrissakes, Israel!)-Über-Alles state security. Lord knows the Divine Ms. N. didn't get to the top of her profession of beating peons into submission by sleeping her way there. Moreover, Ana deeply admired Janet for standing tall against those ugly rumors of same-sex orientation.

Janet's dictum: "If I'm Gay Big Sister, make the most of it!"

Ana also warmed to Janet's statements that anyone who criticized or made fun of the Department should be subject to prosecution for, well, "aiding and abetting terrorism," as Ana recalled. [Though as far as Ana could determine, no statute for such a crime was ever forthcoming.]

Ana—after a lifetime of being diminished by anyone who got too close to her—so identified with what heroine Janet had likewise appeared to have gone thru. Ana even had met Janet—be still, my heart—once, at a state dinner, with all the high muckety-mucks moving around ... "she had me at hello..." or was that jello?

But enough romantic reverie...

This whole business emerging from the Truman Prophecy had caused Ana to reevaluate her life. For one thing, that doggone Spiritual Magic Move the Prophet had thrown in there—probably at the last minute—had tempted Ana into a trial. She applied the five steps of SM2 one night a month ago when she was having trouble sleeping. Bingo. She found her Deep Quiet, the Joyous Stillness, stayed there for a transcendent eternity of a few minutes, then fell into the most restoring sleep she'd ever experienced.

"Whoa! I don't know what this guy is selling, but I'm buying!" she felt.

One thing led to another, more magic move sessions. She started breathing better, her health improved, she lost weight, she even stopped going into convulsions when Everett forgot her triple-lattes in the morning. Instead of 'Monkey Brain from the Dark Side' controlling 'her,' 'she' was learning to *wag* her mind. And the more she came in charge, she saw in a heartbeat that the Prophecy was right and needed to be fulfilled. Whoops!

Like a 1980s Russian gymnast in Times Square, Ana was going to defect.

The icing on the cake for her decision came her encounters with Balph Bufort, Harry Sally, Trenton Farquardt, and the others. Psychos and Sleazos and Bears, OH MY. These guys were certifiable! And the Janet Napolitanos and Analyst Smiths of the world were merely polite-society enablers and conduits to a Medieval nightmare—unfolding: a multidominational hell of concentration camps, torture chambers, and mainstream Newspeak 24/7.

Ana would covertly use her position to aid the Independents' cause.

THE LION'S COURAGE: INDEPENDENTS' STAND

"Michael, we don't have a lot of time on this earth! We weren't meant to spend it this way. Human beings were not meant to sit in little cubicles staring at computer screens all day, filling out useless forms and listening to eight different bosses drone on about mission statements." — Peter Gibbons, Office Space (1999)

1st Quarter 2016

Foundations, Sterling Heights, Michigan. Chance, in developing the Prophecy, had done the spade work for the self-identification and rise of the Independents as a distinct phenomenon of its own. The Rise of the Independents, or the Independents' Movement (IM), was to be the *coup de grace* of 'Dorothying up' against the Big Bad Brotheresque wizards of the Old World Order. A knockout punch.

Early on he had written the major documents or document templates for the Independent creed and affirmation, declaration, oath, and, finally, the affidavit of self-governance. And he was happy with what he'd written. At the same time, he knew that as *political* as the Independents' Movement by necessity *was*, that there were psychological, even spiritual, underpinnings to each individual's decision to go 'I'.

And for that type of knowledge he relied on Trish Bartlett—Postman #2—to keep him grounded... and to improve prospects of success for the whole Prophecy. He called her:

"Trish, Chance, how are you," he greeted. "We're still not on encrypted calls, but I don't think it matters for what we need to discuss."

"Hi, Hi," she said. "No problem. I'm glad you called."

"What it is," he continued, "is I want to make sure that we leave no stone unturned in fulfilling the Prophecy. Touch all the bases, all the other clichés. For example, I *know* that the average truth and liberty activist will be intrigued with a Declaration of Independents... and may sign up. But we have to sell truth, justice, and liberty to a much broader audience."

"In other words, what does the IM have to stir the passions, to make the sale, bring large numbers on board?" Trish posed.

"Exactly."

"Well, Chance, I've been thinking about that since we first got together to discuss the general ideas," Trish went on. "You have the basic understanding in your Toto Foundation Prospectus, which of course, very few read."

Chance replied, "Yes, predictably, 'that's a fact, Jack.' I mainly wrote the prospectus to straighten out the logic in my own head."

"In other places, you've mentioned the Gravity Golf analog to spiritual release and effective, successful action," she said, making the connection. "Tonight, let's go through the marketing scenario from the foundations."

"You bet," Chance came back, enthusiastically.

"Okay, using information you've already uncovered, i.e. *your* playbook, let me take the ball here, as quarterback, and you play wide receiver going deep. Just run the route, keep your eyes on me, and we'll produce the game-winning drive:"

TRISH'S 'PASS': INDEPENDENTS' MARKETING APPROACH

"Let's consider the big picture you've laid out using the metaphors of *The Truman Show*, and then the key scene in the *Wizard of Oz* where Toto reveals the truth, Dorothy reads the riot act to the Wizard, and they all reach their destination.

"A lot of people will get that sequence as symbolic of what we need to do to move toward a free society of individuals. It makes a good parable for talking to the intellectual class, persons who have some concern about public affairs and consider themselves liberal or conservative or, even, libertarian. But they're not inclined to look at the truth outside of their customary authorities.

"The question is:

- a) how many persons truly care about public affairs,
- b) of those, how many will not look away from facts that challenge their authorities, and
- c) of those, how many will see the truth and validity of your prescription.

"So that's the Toto, Dorothy, Kansas *political* metaphor.

“Now for the Truman metaphor:

“We know, in *The Truman Show*, that Truman Burbank is an exceptional character, who has been aided by a beautiful woman, Lauren—an actor named Sylvia who is assigned to play his love interest but has a pang of conscience and ‘goes off script,’ spilling the beans to him.

“Most men would accept the ‘reality with which they are presented’ because it’s so comfortable and idyllic. But Truman is unique. Kindled by Lauren’s affection, his belief she’s been sent to Fiji, and his own wanderlust since childhood, Truman continues to ask questions and seeks to break out.

“The course of behavior of the Truman Burbank character is your fundamental ethical and *spiritual* metaphor, Chance, the analog of the Independent human spirit that you believe resides in each of us.

“But for perhaps half of the population, we both know that the Independent spirit has been bricked over and all but destroyed. Let’s look at your prospectus, where you put numbers on the real market in terms of the roughly 200 million Americans, 18-65 years old. Here are your current values:

- 1) **10 million** (5%) are on board and inclined toward Independent thinking and action, understanding the truth and interested, though not always willing to engage, in effective action. These are the market for coming out as Independents immediately.
- 2) **50 million** (25%) are in the category you call Respected Denier, meaning persons who yet cling to false and fraudulent mainstream authority .BUT. still have enough light in their eyes that if encouraged—as Truman was by his love, Lauren—can move into the light, to reclaim Independent being.
- 3) **140 million** (70%) are various degrees of ‘the remainder’ or the human ballast. They are followers, not necessarily completely soulless. [If Category 2 persons were to move to Category 1, then 90% of Category 3 would conform with Independent principles, though many without understanding.]

“Let’s put the imminent target market for the Truman Prophecy at 60 million souls. And we already have the Toto Foundation project oriented toward helping the 10 million of Category 1 turn the 50 million of Category 2 to the truth.

"The 'Play,' the Completion of the Ultimate Pass, is to *create the incentive* for each of these potential 60 million individual 'Trumans' to declare as an Independent and walk the walk.

"What is that incentive and how do we convey it?"

THE TRUMAN INCENTIVE

"I see from your smile and bearing, Chance, that you're still with me. Good. This part is relatively straightforward, coming directly from your writings and statements, as informed by various other writers and teachers you mention.

"Here's the organizing concept: Political liberation, psychological liberation, any kind of freeing up of the soul *proceeds from the inside out*. A society is as healthy as the individuals composing it are healthy... meaning as the *consciousnesses* of individuals are healthy.

"That is, as they achieve full Independent *consciousness*.⁵²

"Okay, how does that happen? How does one become a fully conscious human being? Chance, you have already touched on this question in *The Truman Prophecy*, indeed, you have derived what may prove to be the #1 sales driver of the book and the entire IM: your so-called Spiritual Magic Move.

"Let's talk about that a minute.

"To summarize, your Magic Move is a cultivation practice, an exercise that one performs routinely, to enable one to live in and *from* what you call the Deep Quiet—what one of your teachers, Eckhart Tolle, refers to as the Inner Body. When, or to the extent that, any individual achieves that state of being, enters the Portal, he becomes fully conscious. Enlightened. Jesus would say the individual has 'crossed over to the other side.'

When, or to the extent that, any individual achieves that state of being [the Deep Quiet], he becomes fully conscious. Enlightened. Jesus would say the individual has 'crossed over to the other side.'

"When, in the manifested world of form, one achieves this 'Deep Quiet/Infinite Eternal/Healing Stillness' state of Being, ALL THINGS ARE POSSIBLE!!!

⁵² Note that for human beings actual consciousness is never collective. And one cannot become fully conscious except by becoming Independent.

“Why? Because from that platform of Being—for a conceptual consciousness—energy, ease, peace, and light flow into everything you do.

“Your dreams come true:

- Find inner peace.
- Conquer debilitating addictions (no need for them)
 - Lose weight, eat right, get healthy.
 - Clean up all the detritus of compulsive mind.
 - Enjoy positive relationships.
- Think clearly.
- Do the right thing politically.
 - Truth (Toto).
 - Justice (Dorothy).
 - Liberty (Kansas).
- Share your joy with others.
- Nourish family and community.
- Embrace earth and its life with care and compassion.
- Live your own life of creative imagination.

Because from that platform of Being—for a conceptual consciousness—energy, ease, peace, and light flow into everything you do.

“Needless to say, from the platform of general, widespread Being, the grand political projects and remedies of the Truman Prophecy roll out like milk after cookies.

“So, you see what I’m driving at, right, Chance?”

“Sure do,” Chance shot back. “Please go on.”

Trish continued, “So that’s our market and our marketing angle: We sell becoming an Independent as the most sublime human achievement... linking it to:

- 1) personal fulfillment
- 2) psychological fulfillment
- 3) political fulfillment

“Always keeping in mind first things first.

“What I’m trying to say here is that unlike many incarnations of a spiritual philosophy, what we’re cultivating still requires of individuals considerable logical rigor and liberating *work*. The spirituality of a true Independent is not for slackers or foggy emotionalists.

“Leaders of the new consciousness, especially educators, need to link the rescued skills and disciplines with productive work and creative imagination in the real world.

"The good news is we have some exceptional technology at hand these days, and, more important, still a substantial core of English, speech, and writing professionals of excellence to lead into the market. It will not take long to elevate language, logic, and the independent conceptual faculty into preeminent status to facilitate spiritual fulfillment in all populations.

"At the same time, as we overthrow the Old World Order—indicting and prosecuting the worst of them—we liberate large amounts of living energy and raise all boats.

"There Will Be Jobs!

"Initially, yes, the Trumans will encounter resistance from the OWOs and the neurarchs. But very quickly the center of the opposition will collapse—is already collapsing—, within weeks and months, not years. Then we start to rebuild a human society based on the nonviolation principle. The infrastructure for humane, distributed economic health is rebuilt.

"Look at the unfolding of the Truman Prophecy and its aftermath as a vast home improvement project where our living planet is the home.

THE 'GRAVITY GOLF' ANALOGY

"As the marketing strategy and Website system materialize to assist in the great Independent coming of consciousness project, I think we need to move front and center the idea you started talking about when we first got together. That is, the analogy of full consciousness to David Lee's Gravity Golf (GravityGolf.com) method... for the golf swing. Yes. Seriously.

"Sure, it comes from a game that not everyone plays. But part of the reason why people fall away or never take up golf—whose potential for joy in effortless power and simple pastoral pleasure is so enormous—is because it seems so difficult. [I don't play golf... yet. But from watching the Gravity Golf video and reading the book, I do get the metaphor.]"

"In a nutshell, the analogy to gravity golf is that as you come to full human consciousness you let go of coercion or aggression in two ways:

- a) by not initiating force outwardly against others and
- b) by not directing force inwardly by compulsive or reactive mind.

The subtle parallel from GG applies mainly to b).

INTERLODE: THE 'ORACLE' DAVID LEE AND GRAVITY GOLF

The Prophet Chance (mis)spent several years in the pursuit of good golf, a game which he did not take up until his early 40s. He read dozens of books, watched an equal number of videos, and took perhaps a dozen lessons. It wasn't until nearing 65 that he ran into David Lee's *Gravity Golf* book and video. [1]

... and the seas parted.

Well, not quite. But by learning to strike the golf ball with his whole body mass in effortless rotation versus with only the arms and shoulders straitjacketed by muscular force, Chance's 18-hole game went from the mid 90s to the low 80s—or about par and a half. With a lot more joy and no back pain, too.

General message of Gravity Golf to the golf world: With a properly executed (Gravity) golf swing, no effort is dissipated extraneously and no force is applied from one's hands, arms, and shoulders into one's core body—which disrupts a necessarily precise swing plane. You learn to strike the ball effortlessly with your body mass rather than violently and inconsistently with your upper body and extremities. Result: nearly anyone can play ~par golf, enjoying the game immensely.

Thus Gravity Golf becomes the manifestation of 'effortless power.'

And its parallels to the successful fulfillment of any complex action—especially the goal of a society without coercion—dawned on Chance. He saw that many libertarians took on the cause 'from their heads' (analogous to applying force into one's body) rather than enable channeling of a 'higher power.'

From David Lee:

"I suddenly realized that instead of me hitting the golf ball, my body had become simply a vehicle for a more powerful mechanism."

Gravity Golf's more powerful mechanism is gravity, while the general human activity's more powerful mechanism is the 'higher power.' Coming to an understanding of what that is occupied Chance's days for some time, and in fact led to the writing his nondenominational Spiritual Magic Move (p. 17). From golf, and the movie, *The Legend of Bagger Vance*, Bagger talks about Authentic Swing:

"[You] can't see that flag as some dragon you got to slay... You got to look with soft eyes... See the place where the tides and the seasons and the turnin' of the Earth, all come together... where everything that is, becomes one... You got to seek that place with your soul Junuh..."

Thus, David Lee became the oracle figure for Chance's Prophecy, and his teachings the ultimate analog—especially for liberty activists (and golfers ☺)—to first find one's own authentic swing, one's unique truth and peace, then naturally share that peace with the world. Changing the world from the inside out.

[1] <http://gravitygolf.com>. (Note: Just for the golfers out there, you also need to view *AJ Reveals the Truth about Golf*, to learn proper use of the club 'tool'.)

“To use a simple phrase for both sides of the analogy ‘you learn to let the dog wag the tail, not the other way around.’ Chance, what I recommend we stress here is the lesson from the Gravity Golf swing, spending time to learn the practice of ‘effortless power’ as applied to our political problems. We need to stress that we are not out here to struggle in loneliness against great odds to slay some gargantuan mythic beast.

“That’s not the nature of reality.

“Instead, we embrace the Gravity Golf analog, tapping into a higher power (where full consciousness and the platform of Being equates to the power of simple gravity). This requires some spiritual ‘practice.’ Just as you learn the ‘trick’ of the Gravity swing by doing a handful of simple drills, you learn the secret of tapping into Being by reading and doing your own custom-derived cultivation practices.

Gravity golf taps into a higher power—natural forces.

The Magic Move taps into a higher power—the Deep Quiet.

Satyagraha taps into a higher power—the global truth force.

“I might point out, too, that while Gravity Golf is making its mark after roughly two decades since its inception, its enormous potential has only lightly been tapped.

“We need a better marketing strategy to spread the underlying enlightenment engendered by the Spiritual Magic Move. Just as Gravity Golf will sweep the links world for real people, the spiritual fulfillment underlying the Prophecy will:

- present the whole Prophecy system to the world and thru the gathering of kindred souls.
- cause people to adopt the Spiritual Magic Move, learn it to perfection, and then share it forward.
- impart, from a platform of Being, easy enlightenment to prospective Truman-Indies who realize the enormous value-to-price ratio.
- render successful the Toto and Dorothy projects, as millions practice the magic move.
- bring the Billion+ Points of Light Society (the New Paradigm) to fruition.

With a flourish she finishes: “The Dog Wags the Tail.”

"QED," says Chance. "Wow."

"Thanks," she replies, "What we have is this marvelous philosophy or worldview that rewards logical thought and language skills, independent thinking, imagination, the creative life—uncoerced and devoid of all traces of the neurarchy. War, torture, aggression, stupidity, and so on drop off the earth.

"The young will gravitate to such a warmly heroic vision like the bracing flow of a cool mountain stream. We clean up the planet in a heartbeat. Prepare for space, organize Independent societies worldwide until all vestiges of the global pathocracy fade into oblivion like a bad dream.

Chance laughed, "Yes, I see. An Audit the Fed with teeth."

"And who's going to pay for the transition? THEY are. That is, the central banks will be tasked with coughing up what they extracted from the productive class of citizens

from—let's pick the start point as the founding year of the Federal Reserve Bank in the United States—1913 to present."

Chance laughed, "Yes, I see. An Audit the Fed with *teeth*."

Trish went on, "That's the general idea. It's an accounting problem (ref. p. 183), but we have plenty of smart people to figure out how much was stolen, who stole it—we'll probably convene a special international grand jury for that—, how much did they take that now resides in tangible real assets (meaning in wealth-generating or wealth-storing entities, not weapons of war or destruction), then assess the class of victims and a reparations schedule, and transfer ownership of these real assets to the victims."

Chance inserted, "Let's say the total wealth held by the Western finance cabal is \$500 trillion. Let's cut that in half to come up with a tangible real asset number of \$250 trillion, and propose a democratic distribution, say, to each of 2.5 billion identifiable descendant-victims. This means each of them receives \$100,000 in real asset transfer shares."⁵³

Said Trish, "In my proposed humanitarian scheme, each of the looters retains the equivalent of one of their own shares distributed to victims. That is, \$100,000."⁵⁴

⁵³ This is in lieu of a cash distribution, which could be inflationary.

⁵⁴ To be held in trust by some of them, who will be doing time.

"Let me insert here, too," she continued, "that when a legal thief or killer has been indicted and prosecuted for his crimes, his incarceration will be free from the physical threats, attacks, and damage posed by their own prison system on us. Our justice, unlike theirs, is civilized."

CHANCE'S 'CATCH': BUILDING TO THE PROGRAM

"Granted, Trish, nice presentation. Nice 'pass,'" said Chance. "Let me follow up and lead into the meat of the IM. Much of what you've laid down may not make the final edition of the book (for TMI reasons).

"But it won't be lost to humankind, as I'll have it in an archive release. And it is vital to have these fundamentals in mind as we sell the Independent worldview and the Society thereof... ultimately encouraging release from the Old World Order along with its orderly dissolution.

"Let's start by asking 'What is an Independent?'"

"Well, elsewhere Independent is defined as 'a human person who exercises full and exclusive psychological dominion over his own mind and its judgment in all matters, never surrendering that responsibility to others claiming authority or consensus. He thinks for himself, never accepting coercion of anyone's mind or body by another being or beings, human or otherwise. And seeks a world based on the nonviolation principle and voluntary cooperation of individuals in benevolent community.'

"The Dawning [of Independent being] is a combination self-realization or self-identification and decision.

"Defining our subject matter is a good start, actually a great start. The next step in creating a worldwide society of and for such individuals is, for each potential fully declared and actualized Independent, what I call 'the Dawning.'

"The Dawning is a combination self-realization or self-identification and decision. I estimate that currently we have ~10 million persons in America who qualify *politically* as Independents. These are the practical Independents—not necessarily to the level of full Deep Quiet spiritual beings, but to the level of living as passionate, caring individualists for liberty—who stand for humanity, question authority, think for themselves, who grasp and oppose the neurarchy.

"Henceforth, when I use the term Independent, I mean it in this down-to-earth universal sense.

"[The full consciousness enlightenment I speak of as a product of the so-called Spiritual Magic Move is what I sometimes call a full Independent. But that is not necessary. What I do observe, however, is that such full enlightenment cannot occur without being practically Independent.]"

"To be a practical Independent being is to be a *full* human being, with all its creative potential. Historically, cyclically, societies have suppressed their Independents. Meaning the 'Power Sickness' defect has often held sway.

"The 1955 movie *Invasion of the Body Snatchers* provides an apt metaphor for our situation. In that story, a spore-like life form from space lands near a small rural town. The spores form pods, which are placed in proximity to targeted persons. While these persons are sleeping, the pods infuse themselves into them such that the people lose their old personalities: they become emotionless automatons of the alien entity... whose main directive is to take over all human individuals.

"The ones who become taken over are no longer human. They look human, but psychologically they are a distinct species that is hostile to independent-consciousness humans. This is analogous to our current situation where (I estimate) roughly 7 in 10 of the population has succumbed and merged into the alien neurarchy. Of these, 5 in 10 mindlessly and emotionally 'swarm' those who resist being taken over.

"In the 'happy ending' version of the movie⁵⁵ the protagonist, Dr. Miles J. Bennell, fights the alien species by basically escaping from town and calling in the FBI. [This was the 1950s and the FBI had a reputation for extraordinary competence. ☺] Still a grim prospect for us humans.

"In our real situation, we do have effective weapons at our disposal. This is because:

- a) humans exist as individuals, not as collective organisms,

⁵⁵ The original movie ends with a frantic Kevin McCarthy (Dr. Bennell) screaming at traffic that we're under attack.

- b) most people who have succumbed to consensus or trance thinking can be deprogrammed, and
- c) those of us who are (or become) Independent can nourish our new-species-identity, which pulls out the rug from the psychological collectivists.

"I call this last option the trump card or 'Atlas Shrugged' strategy, which (until or unless the robotics industry matures sufficiently) makes Independents truly invincible: the Men of the Power Sickness who compose the neurarchy function as true parasites and cannot biologically or psychologically exist except by Independents' voluntary acquiescence.

"So there we are.

"The effective strategy for imminent victory of the practical Independents lies in the Watchman Nee⁵⁶ teaching: sit, walk, stand. To paraphrase into secular terms for the Independent:

- Sit—Patiently learn the truth
- Walk—Spiritually manifest the truth in our daily lives
- Stand—Act for justice and liberty against truth's foes

"This Dorothy (justice) phase of the project is about the 'standing.' Further, we have to be effective the first time out. We don't have time for a second chance; the Old World Order foe is *very close* to closing off all avenues of resistance.

"Recall the lesson of Toto and Dorothy in the film: The Wizard's power is solely the *illusion* of power that comes from supplicants he has tricked into believing he has. When Toto reveals the illusion and Dorothy denies consent, reality and incipient freedom shine through.

"The Achilles Heel of the Old World Order's power is two-fold: its lies and its reliance on moral approval (voluntary consent). It takes a while for truth to get through the Barrier Cloud. But when people deny their consent to the 'king without clothes,' it's over. Like sticking a pin in a balloon.

⁵⁶ Watchman Nee (1903-1972) was an indigenous Christian evangelist in China and published several books on the simple and helpful ministries of Jesus. One such book is entitled *Sit, Walk, Stand* (1957). The Chinese government imprisoned Nee in 1952 for political crimes and he died in prison in 1972.

“You may recall that denial of consent⁵⁷ was how Gandhi et al ejected the mighty British Empire from India without firing a shot—in a blink of an eye in Indian history, roughly 30 years. Well, that’s how the Independents are going to eject the psych-collectivists from Western civilization. Only sooner.

“Denial of moral consent is the trump card that defeats all would-be tyranny, because until tyranny comes for real, its pushers must convince the masses that it’s for their own good. You demoralize the pushers, you hard stop the threat.

“Moreover, in our present case, because we are explicitly resurrecting the Independents from their dormancy and building a world for ourselves, when we succeed there will be no more tyrants *ever*. The New Paradigm will have arrived without any internal threat, by *nature*.

“Indies über alles!

“The Prophecy is the inception of the Independents, establishing the worldview and the cultural breathing space for bright young minds to realize who they are. Then consider the immense potential of all that... for them and their loved ones. Also, to realize they are building a society that will put an end to injustice and aggression adroitly... and for all time.

“Within months, becoming and declaring as Independent will be a badge of distinction. People will ask whether they have what it takes to step up (ref. p. 230). They’ll read my book, this one. But as often, they’ll read the shorter companion handbook, *Independents’ Field Manual*.

“And as they go through the program, they’ll learn—English, logic, grammar, law, conceptual thought, natural philosophy and spirituality, politics, ethics, science, engineering, invention, etc. The market for genuine teachers will explode... as eager learners and imaginers flood all the chambers of human knowledge. Many will take a sledge to some of their own TVs... and ‘accelerate the removal’ of these barbarous mindspace trespassers in public spaces.

“So that’s the vision, what’s the program?” Chance finished.

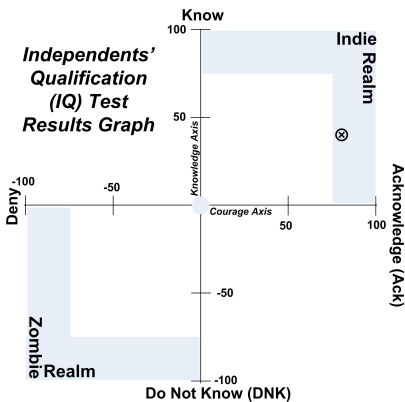

⁵⁷ Along the lines of denial of consent, I want to give a shout out to my good friend Jim Babka, a leading architect of the modern political deconsent movement. You may reach him via <http://zeroaggressionproject.org>.

INTERLODE: INDEPENDENTS' QUALIFICATION (IQ) TEST

WORLD'S SMALLEST QUIZ OF WHETHER ONE THINKS FOR ONESELF

The Independents' Movement leadership has come up with a dual-axis chart that measures one's alignment with Independent psychology. Start at the zero point in the middle of the chart and proceed either positively (-> Indie) or negatively (-> Zombie). Some initial questions whose correct answers are all Yes:

Question: Do you know:	Know (+10)	DNK (-10)	Ack (+10)	Deny (-10)
1) Fed income tax applies solely to earnings based on federal privilege?	10		10	
2) WTC 7 (not struck by plane) fully demolished on 9/11/01 at 5:20 p.m.?	10		10	
3) US defense-lab-weaponized thermite explosive residue at WTC?		-10	10	
4) Sandy Hook elementary school was not in operation on 12/14/12?		-10		-10
5) Toxic aerosol spraying of the atmosphere poisons our every breath?	10		10	
6) Protective layers of atmosphere shredded by toxic aerosol clouds?	10		10	
7) Lab animals exposed to GMOs suffer lethal consequences?	10		10	
8) 'Smart' meters endanger human health and illegally surveil persons?	10		10	
9) CDC high officials concealed test data showing vaccine-autism link?		-10	10	
10) Compulsory schooling designed to create soulless obedient drones?	10		10	
Total of adjoining two columns	40		80	

The IQ test determines whether you know or don't know about key facts of reality, then a) if you know whether you are willing to assert or acknowledge the fact or b) if you do not know whether you go further to explicitly deny the fact.

Note that to Ack a fact simply means you wish to have any criminal activity investigated and indicted by a citizens' grand jury without government interference. The results above are just a sample. The full implementation of the IQ test will be shown on the companion handbook to

The Truman Prophecy... and on the SocietyofIndependents.org Website.

EPILOG

The Prophecy had coughed and sputtered its way to a combination Declaration Day celebration and launch. It had established a broad consensus in America, a renewed foundation of the First Principles of the original Declaration.

The Toto Worldwide foundation and its Affiliates/Chapters spread like wildfire. Tens of thousands, then hundreds of thousands, of former Respected Deniers now declared themselves for the truth on the various fronts. They put themselves to work sharing the Toto Affiliates' education materials, many of them becoming Correspondents.

The book became a best seller, further stoking the positive feedback loop. The 'many hands make light work' ideal became quite real. Nobody could keep up with the rapid growth. From the Toto foundation new universities were formed, absorbing the best of the older, corporate-state institutions.

The World Grand Jury settled in to investigate and indict crimes against humanity, including the hundreds of \$trillions expropriated from vast numbers of human individuals and Independents. By mid 2017 details of the Political Class to Productive Class Reparations Plan leaked. For simplicity the distribution would deliver 100,000 dollars (year 2016-based) worth of wealth to every man, woman, and child in the industrial world; \$50,000 worth to nonindustrial-world persons.

Independents proliferated like stars in the galaxy. Planet-wide. All former mob-run government operations imminently ceased, from China to the UK, as people transferred routine government-monopoly services to voluntary governments (of their own choosing). New energy systems, earlier suppressed by the global junta, came into being. Scarcity and poverty were becoming extinct; healthful earth ecology restored.

Societyofindependents.org became the 'what-to-do' site, acquiring spinoffs and copycats; the Universal Nonaggression Protocol held firm. Any valued service of government was becoming cheap with quality. Grand juries had stopped virtually all corruption and crime. Politicians were now *honest*.

Virtually everyone became fully conscious, the Spiritual Magic Move filling their lives with joy, ease, and lightness.

Not utopia: The Billion+ Points of Light Society.

TO BE A FULFILLER

For most bona fide prophecies or predictions that come true, a good deal of self-fulfilling activity has to take place. The adage ‘God helps those that help themselves’ applies. Self, in the context of the Truman Prophecy, is everyone who, along with the Prophet Chance, believes in the Billion+ Points of Light society and takes action to achieve it.

So this section contains some specific guidelines on how to become a Truman-Indie Fulfiller. [These are more down to earth instructions than the more general steps described in conjunction with building a society of Independents, which have been described in the body of the book.]

FOR THE CAUSE-ORIENTED...

First, determine what it is you *want* to do, and what you’re good at. Second, don’t bite off more than you can chew. The Truman Prophecy, as all good movements or projects, is an authentic swing sort of activity where ‘many hands make light work.’ Key to full and effective consciousness is the realization that a) you can’t do everything at once, and b) you can’t do everything yourself.

The Prophecy unfolds using three Websites:

<http://snowden-manning.org>

<http://commonsensejuries.org>

<http://societyofindependents.org> (SOI)

... with the integrating Website being the latter for the (worldwide) Society of Independents that we’re building.

The Truman Prophecy was effectively published the first day of spring of 2016; the detailed operations and nuts and bolts of facilitating the CtC educated tax remedy, pursuing (First Principles) grand jury-based truth and justice, identifying the concrete steps to effect one’s Independence, and all the related liberation activities will take a few weeks to plan out. The SOI site has the latest information on helping.

Briefly, we’re always going to need plenty of Toto Correspondents and organizers, writers, teachers, legal aides, historians, experts on grand juries, grand jurors, spiritual teachers, and so on.

The single best thing to do: Share *The Truman Prophecy*!

FOR THE GENERAL CASE

The *Independents' Field Manual*, a companion document to *The Truman Prophecy*, condenses the operational information from the novel. The following 'What You Can Do' listing prefaces that field manual and is targeted toward those who want to help move the cart forward—with minimal hangout:

- 1) Practice the Spiritual Magic Move—To paraphrase ol' Jessie Jackson, "The most important thing you can do to help the unconscious is not to be one."
- 2) Read and practice *Cracking the Code*—Another priority for you, your family, and your country is to understand what is federally taxable income... and to *not* pay taxes you do not owe—deny Leviathan.
- 3) Publicly declare for the truth—For any of the Toto projects that you are now convinced of, let people know your stand... at least friends and family.
- 4) Become informed—Read and view further to enhance your understanding of the truth(s) you've become convinced of. Chip in when it feels right.
- 5) Take part in SnowMan16—Whether it's only to sport a bumper sticker and wear a t-shirt, use the campaign to make friends and stand for justice.
- 6) Declare as Independent—Either privately via affidavit and/or 'registration' on the SOI ⁶²site, assert your natural rights as an Independent being.
- 7) Define your stand as Independent—Optionally, customize the Affidavit of Self Governance (on SOI site) to express what actions of rogue government you will no longer accept or abide. Then stand up!
- 8) Join Independents' Day festivities—Enjoy the activities planned for 2016 and implied for successive elections; embrace the fellowship of kindred souls.

Currently, only #7 results in any real risk of state-coercive response. And the risk becomes vanishingly small as those denying consent reach into the millions. Be a patriot. Join the strike. You have nothing to lose but *their reins!*

⁶² <http://societyofindependents.org>
