Path(s) to a Free, Benevolent Society

Lesson from Golf

"You have the potential for a better swing but first you have to solve some fundamental problems."

Analogy to Real World

"We can have our free, benevolent society, but we do have to *wake up* and end (let go of) the sick ones in our midst."

Inner and Outer Paths

The Inner Path: Physician Heal Thyself

Changing the world from within...

All evils are the effect of unconsciousness. You can alleviate the effects of unconsciousness, but you cannot eliminate them unless you eliminate their cause. True change happens within, not without... Just as you cannot fight the darkness, you cannot fight unconsciousness... unless you give your own peace to the world. – Eckhart Tolle, The Power of Now

Developing one's own Authentic Swing

- I see... that the Cabal is real—cares nothing if my loved ones and I die.
- I know... that the Cabal will try to kill or enslave me again and again.
- I find... the Cabal's footprints all over the 9/11 attacks.
- I choose... to look at the facts with my own eyes and act for my life.
- I will... publicly assert Truth/Liberty and step into the New Paradigm/FLOW.

The Barrier Cloud, *by Brian Wright*

Available via Amazon, also on Kindle.

Inserting this analysis here, because my book anticipates the “Men of the Power Sickness” and the cure for them.

- Barrier Cloud is the socioneural impediment to full actualization of the NaP and humanity breaking free in society and internal.
- External Cause of the BC: The sick ones who dissemble and are all about control.
- Internal Cause of the BC: The mass mind, persistent ‘limbic system,’ the blind obedience to authority syndrome.
- The MOPS qua ‘parasite’ cannot exist without tricking good people into accepting their authority.
- Solution/Cure: Spiritual enlightenment, learning to let go of addictions, compulsive mind, and preoccupation with form.

 - Also recall Orwell’s 1984 “Hate, Hate...”
 - Our modern hive (Men of the Power Sickness) works more like Huxley’s people growing to like their subjection—multimedia
 - Hive dissembles as legitimate organizing function (government) with all the symbols and feel-goods
 - The modern war on terror (like the Nazis in WW2) makes those who resist or disagree traitors or terrorists: ENEMIES whom the masses are led to viscerally despise.

3. **9/11 attacks**—as false flag acts of state terror, 9/11 is the Big One; resulting in unending war and militarized US.
4. **NSA, surveillance-state violations**—TSA, DHS, NDAA; goons set loose in Occupied America to prep us for gulag.
5. **torture and war crimes**—including in this the ongoing War on Drugs (WOD) atrocity, strip searches, police assaults.
6. **toxic gunpoint medicine**—genocidal-AMA-approved Obamacare; crushing wholistic, naturopathic alternatives.
7. **radiowave pollution**—chiefly mandatory 'smart' meters, per Agenda 21: wantonly surveil and destroy people's health.
8. **poison food**—GMOs, CAFOs, etc., eliminating or reducing people's choices in food; contaminating healthful practices.
9. **attacks on firearms ownership**—thru staged 'massacres,' demonizing 'gun nuts,' always run as fed black ops.
10. **ObamaEd**—also per Agenda 21, the Common Core K-12 school curricula; collectivist, mind-destroying drivel masquerading as helping children's minds.

Behind the Smoke Curtain

Barbara Honegger, M.S., Pentagon, New Pearl Harbor (2013), presentation to Seattle 9/11 Truth

- Pentagon had to be hit to get us on a war footing:
 - Endless preemptive wars
 - Created combatant command over mainland
 - Domestic surveillance state, commander in chief powers
- Evidence indicts Project for a New American Century (PNAC) signatories and the Neocons; Pentagon major psyop preplanned
- War games, Honegger documents these, hijack scenarios; a 757 did not hit at the point and at the time of the official story, doctored photos, confiscated videos; physically impossible for 757 official strike, ground effects; evidence of shaped-charge explosives, white Global Hawk drone to look like AA airliner.
- Discussion of who the Neocons are and their origins in Third Reich: Leo Strauss => mentored by Hitler's legal theorist Carl Schmitt, US has been taken over by a neo-Nazi cult per Seymour Hersh. 9/11 is Hitlerian scale Big Lie designed to...
 - Israeli-Zionist goals to get US into Middle East: dual-citizens Wolfowitz, Perle, Zelikow, Chertoff, Dav Zakheim: putting Israel's interest above its own—treason. It's a diabolical attack on humanity.
- To confront an evil of this magnitude facts alone are not enough: The 9/11 truth movement must be the heart of a growing global 'truth force' (Satyagraha, M. Gandhi, 9/11/1901. Sworn juror affidavit.

Outer Path (9/11 Video #2:2—key slide: whodunit) Behind the Smoke Curtain

Barbara Honegger, M.S., Pentagon, New Pearl Harbor (2013), presentation to Seattle 9/11 Truth

9/11 was not just an evil plot, it was a *diabolical* plot whose purpose was to:

- ➔ **Terrorize the U.S. into putting Israel's interests above its own: Treason**
 - Get the U.S. military into Middle East, a long-time goal of PNAC/U.S. and Israeli Zionists
 - Effect Israel's goals using American blood and treasure
 - CENTCOM already had been moved to the Middle East, in Israel's interest
 - Reported dual Israeli-US citizen Paul Wolfowitz was Deputy Secretary of Defense directly under Rumsfeld
 - Reported dual Israeli-US citizen, PNAC signatory and self-proclaimed "Prince of Darkness" Richard Perle chaired Rumsfeld's Defense Policy Board
 - Reported dual Israeli-US citizen Dov Zakheim controlled the Pentagon's finances as DoD's Comptroller
 - Reported dual Israeli-US citizen Philip Zelikow headed the 9/11 Commission cover-up.
 - Reported dual Israeli-US citizen Michael Chertoff headed DoJ's 9/11 "Investigation"/Cover Up and the new Department of Homeland Security

**We Must Ask: Whose "Homeland"?
And Whose "Security"?**

Outer Path (9/11 Video #2:3—Christopher Bollyn) Behind the Smoke Curtain—related

Related to the previous slide and corroborating Honegger's view, world journalist Christopher Bollyn has written extensively specifically on the nature and origin of the Zionist Israeli role in 9/11.

- 'Five Dancing Israelis' who were detained and later expelled back to Israel (2) were ... agents of Israeli intelligence, a fact ignored by the media. Led Bollyn to investigate the Israeli connection further.
- On the day of the bombings, Benjamin Netanyahu, openly stated that he viewed 9-11 as a positive development.
- Delves into Israeli Zionist state history: USS Liberty, several false flag terrorist attacks against US and UK, Israeli state is a terror state:
 - "We must use terror, assassination, intimidation, land confiscation, and the cutting of all social services to rid the Galilee of its Arab population.' — David Ben Gurion, first prime minister of Israel, to the general staff, May 1948"
- ZI intel leaders had foreknowledge, prepped, deep planning by a fixed state required, destruction of evidence, esp.:
 - "The FBI, for example, under the command of the Israeli dual-national Michael Chertoff, was responsible for the confiscation and destruction of the crucial evidence from 9-11.
- Much more, wholly credible and exhaustively researched.

The New Pearl Harbor

Film by Italian researcher Massimo Mazzucco

- 12 parallels to the real Pearl Harbor, also false flag
- Echos Barbara Honegger's work, propaganda just like 1941, 70% believed Saddam behind, information withheld, five hour film
- Mazzucco's film handles entire scenario:
 - 1: Air defense
 - Incompetence theory vs. stand down
 - All planes tracked, debunkers say we didn't know where they were
 - Military same-scenario exercises confused, but they 'went live'
 - 2: The hijackers: identity, no video evidence they boarded, incapable of piloting
 - 3: The airplanes
 - Cell phone calls, impossibility of, video goes into detailed analysis
 - Impossible flight speeds (200 mph higher than the aircraft's max velocity)
 - Details of what boxes recovered, what withheld or falsified
 - 4: The Pentagon
 - Missing airplane
 - Missing tapes
 - 5: Flight 93: shoot down vs. zero debris Shanksville
 - 6: World Trade Center buildings: access, renovation to elevators, powerdown, pulverized concrete, vaporized victims, 2749 victims, many expelled outward
 - 7: Building 7: Preknowledge
 - Epilog: Denial
- Interviews truthers and debunkers both, international, to assess opposing explanations, most in depth total picture video
- Officials lied, no reprimands or inquiries for incompetence, official story completely destroyed in all seven categories.

Let's Get Empirical

Opening Evidence

9/11: Let's Get Empirical

Most of us get our information from the mainstream media. Despite all the inconsistencies in the official story, it's no wonder that many of us believe the official story – because the mainstream media continually trumpet the official story as fact. Empirical evidence to the contrary is widely available on the Internet and in the alternative media – offered to us by respected citizen-researchers like David Ray Griffin.

BY DAVID RAY GRIFFIN

Some years back there was a popular song entitled *Let's Get Physical*. Because of my philosophical interests, a friend gave me a button saying "Let's Get Metaphysical." Now, having been involved with the 9/11 Truth movement for several years, I have a new plea: *Let's get empirical.*

The reason I make this plea is explained at the outset of my book, *Debunking 9/11 Debunking*. I begin by saying: "The evidence that 9/11 was an inside job is overwhelming. Most people who examine this evidence with an open mind find it convincing."¹ The only real problem is to get journalists and other

Definition of: 'A Priori' – characterized by, or derived by, reasoning from self-evident propositions; without critical investigation; presumptively; with insufficient evidence.
– From the Merriam-Webster Dictionary

Given this generic meaning of the term, we are conspiracy theorists if we believe that individuals have conspired to rob banks, that oil companies have conspired with scientists-for-hire to conceal the reality of human-caused global warming, or that US presidents have conspired with members of their administrations to present false pretenses for going to war. In other words, once we get empirical about the term 'conspiracy theory,' we realize that we are all conspiracy theorists. Announcing that one rejects conspiracy theories has become almost a reflex action, but we would be more honest if we, with Michael Moore, would say: "Now, I'm not into conspiracy theories, except the ones that are true."²

"The great enemy of the truth is very often not the lie-- deliberate, contrived and dishonest-- but the myth, persistent, persuasive and unrealistic. Belief in myths allows the comfort of opinion without the discomfort of thought."
-John F. Kennedy

- 5. Raising the Torch**—As Libertarians we *stand* for something. The organization becomes informed on all major issues of the day, testifies, resolves, and educates. We never shut up!

Too many Libertarians look at the law, if anything, as an adversary. We're wrapped up in the eternal verities of the nonaggression principle, we see that bad men are practicing aggression via bad laws, and we conclude, "The Law, Who Needs It?"

In general, a key part of the LTS GNL strategy—empowerment and accountability—requires activists to learn, know, and apply the law in a) asserting people's natural rights supported by the law and b) in **holding officials responsible for any crimes against the people.**

**'The Law'
Central Example

The income tax is a benign, Constitutional tax that simply doesn't apply to the earnings of most Americans. The tax laws themselves, scores of United States Supreme Court rulings, and every other relevant authority all acknowledge this truth in no uncertain terms.

The Hidden 4th Branch

Check out GRIJA (or GIJA) on Facebook.

The grand jury properly configured is the best and most direct check on runaway government, esp. corrupt, unlawful, and treasonous officials handling tax cases.

6. **We, the Jury!**—The grand jury and trial jury are powerful tools to arrest runaway US fascism or statism. Jury power is people power.

- The American colonists were well versed in the workings of the grand jury and used it widely to stymie corrupt or questionable behavior on behalf of the King's interests. The grand jury as a check on state power was more of a custom—taken for granted as the rights of Englishmen—than formally enshrined in statute.
- The modern incarnation of a state or federal prosecutor/judge ordering a grand jury around is backasswards. The function of government officials is merely to help, *when so directed*, the grand jury carry out its mission to investigate and bring indictments (or not).
- We champion the real people of the country, and the world, who every day take their lumps up the ol' wazoo—petty traffic infractions, vice bashing, strip searches, excessive fines, lifestyle harassment, illegal searches, civil forfeitures, [rogue judges in tax cases ☺], cops pepper-spraying grandma and tasing handicapped teenagers. We stand up for all victims of statist-Mob violence
- We do not have to spend interminable hours wrangling about whether 'the tapeworm' people in power did such and such. The determination of whether the evidence is sufficient for trial is up to *the people* to investigate and indict—via their tried and true institution of 'a (grand) jury of one's peers.'
- This supreme authority exercised as the people is why most government officials start excreting Frisbees when anyone mentions grand juries... or (trial) jury nullification for that matter. Which is precisely why grand juries need to be reestablished in their all-American, Red-White-and-Blue splendor. As designed and intended by the framers.
