

The Threat Matrix

In [Leaving the Sandbox](#) I developed a set of categories of general system assaults on the people that have been documented extensively... and of course officially denied by the pathocracy. This is my table, The Dirty Dozen: name, desc, with links to current key probative videos and books:

- 1 **Money Monopoly**—takeover of the money system, resulting in [\[a\]](#), [\[b\]](#) massive confiscation of material wealth. Credit dom.
- 2 **Atmospheric Spraying**—toxic skies, climate mod, weather [\[c\]](#), [\[d\]](#) warfare, threatening end of human story. Mainstream bury.
- 3 **Staged Massacres**—as false flag acts of state terror, 9/11 the Big [\[e\]](#), [\[f\]](#) One; resulting in unending war and militarized US.
- 4 **Blanket Surveillance**—TSA, DHS, NDAA; goons set loose in [\[g\]](#), [\[h\]](#) Occupied America to prep us for gulag, snitch neighbors.
- 5 **Enforcer Crimes**—including torture, war crimes, the War on Drugs [\[i\]](#), [\[j\]](#) (WOD) atrocity, strip searches, police assaults.
- 6 **Gulag Medicine**—genocidal-AMA-approved Obamacare; crushing [\[k\]](#), [\[l\]](#) wholistic, naturopathic alternatives. FDA kill list.
- 7 **Radiowave Pollution**—chiefly mandatory ‘smart’ meters, per [\[m\]](#), [\[n\]](#) Agenda 21: wantonly surveil and destroy people’s health in their homes. No testing performed, opt out NFG.
- 8 **Food Foulng**—GMOs, CAFOs, etc., eliminating or reducing [\[o\]](#), [\[p\]](#) people’s choices in food; contaminating healthful practices. Includes water contam via fluoridation, etc.
- 9 **Citizen Disarmament**—attacks on firearms ownership—thru [\[q\]](#), [\[r\]](#) staged ‘massacres,’ demonizing ‘gun nuts,’ always run as fed black ops. Demonizing Constitution upholders.
- 10 **Mind Desolation**—K-12 school curricula; collectivist, mind- [\[s\]](#), [\[t\]](#) destroying drivell, end of independent judgment, reason.
- 11 **Drug Compulsion**—psychiatric drugs and vaccines—esp. [\[u\]](#), [\[v\]](#) predatory/mandatory and on children, huge Big Pharma profits from pedicide. CDC on MMR tip of the iceberg.
- 12 **Info Deathgrip**—and threats to the Internet, 1st Amendment; [\[w\]](#), [\[x\]](#) persistent lies and dumb down. Protesters jailed.

We the people exist under a regime far more hazardous, even deadly than our forefathers in 1776. And insidious. Thanks to Fraud Media and mind control, few of our countrymen are even aware we are being attacked and that the objective is death or enslavement... and they tend to attack anyone who suggests the reality.
