

Trumanist Program, Cont.

Trumanism complements Thrive with a structured activist program for independent human beings to live in a free, benevolent community of their choice and achieve their full individual power thru rigorous conceptual knowledge and robust imagination.

For each of the high-crime assaults, the [Prophecy](#) describes a truth ('Toto') action template containing these items:

1. Booklet regarding the issue
2. Letter of persuasion re: the issue
3. List of recipients for the letter
4. Card w/ 10 undisputed facts*

* [Link to all the '10 Easy Pieces' Facts.](#)

Toto program does targeted persuasive letter writing w/aim to submit to people's truth adjudication below.

II. Stand Against the Corrupt

The **Stand** step basically turns the persuasive letters of the **Wake** step into petitions for submittal to [people's independent grand juries](#) for investigation and indictment of corrupt public officials.

We use author Kelly Mordecai's [Grand Jury Project Plan](#). America-centric w/ => other countries. Also:

[Snowden-Manning.org](#)

A key project of the Truman Prophecy 'Dorothy' (Justice) phase is the Snowden-Manning 2016 Political Program masquerading as a write-in natl. ticket. Updated for 2020, [click here for info.](#)

III. Walk Independent

Asserting one's Independent being is the core action of Trumanism. We achieve Independence:

1. Psychologically—by thinking for ourselves
2. Politically—we assert as Independent, state terms to the corrupt-legacy world.

Our personal [Declaration of Independent Being](#) and associated documents outline where we Independents stand.

[Government by Contract](#)

Also called panarchy, the Trumanist program develops voluntary subscription 'government' to opt out with finesse. Elaborated in Independents' Field Manual. [Scheduled completion: 6/1/2017.]

Breathe. Watch. Be.

The [Prophecy](#) outlines what the Prophet calls the Spiritual Magic Move (for quieting the mind). The 'Move' is elaborated in the booklet The Joy Spot due 3/1/2017. [[Link to promo piece here.](#)] Achievement of full Independent Being rests on realization of Being, i.e. [full consciousness](#).

Trumanism embraces all belief systems: One can be a secular Trumanist, Christian Trumanist, Jewish, Muslim... etc.

Trumanism

Fulfilling the human potential

Toto, Dorothy, and Truman

Trumanism is a social-activist philosophy stemming from Brian Wright's novel, [The Truman Prophecy](#), in which we:

- **Wake:** Expose official lies leading to 'high-crime' assaults on the people
- **Stand:** Bring justice via people's grand juries against such lie-crimes
- **Walk:** (Each) declare Independent Being psychologically and politically

The Wizard of Oz Metaphor

Wake. Recall Dorothy and co. return to the Wizard where his scary phantasm subjects them to a loud barrage of explosives and condemnation.

Toto moves off and pulls back the curtain on a little old man in a room working controls, obviously the Wiz. (**Truth.**)

Stand. Dorothy reads the Wiz the riot act, "Bad Wizard! Get us back to Kansas!" (**Justice.**)

The Truman Show Metaphor

Walk. In the 1998 movie, Truman Burbank discovers he is being controlled by and for purposes of the Collective w/o his consent or knowledge. In the final scene he realizes the truth and chooses to leave the Show with a flourish. (**Liberty.**)

Men of the Power Sickness (MOPS)

Historically, human societies contain two types of men: 1) those who like to live thru their own effort and imagination and 2) those who seek to live by controlling others (or letting others control them). This translates to the two ways men can deal with one another: thru production and trade or enslavement and force.

Module #4 The Barrier Cloud

Brian Wright

World Peace • Safe Streets • Abundance

Civilizations thrive when Type 1 individuals prevail and die when Type 2 individuals prevail. Brian Wright's book, entitled [The Barrier Cloud](#), develops the concept of Type 2s, calling the deepest-afflicted of them the

Men of the Power Sickness (MOPS).

Most people are normal Type 1, living by the nonaggression principle (NAP): don't hit, don't steal, don't lie. So the MOPS create a '**Barrier Cloud**' to this NAP-based society—by engineering normal people's institutions, perceptions, and emotions... especially today in the age of electronic media. [Ref. [Rule DVD link.](#)]

"... and people will have their liberties taken away from them but will rather enjoy it, because they will be distracted from any desire to rebel by propaganda, brainwashing, or brainwashing enhanced by pharmacological methods." — Aldous Huxley, 1959

The Trumanist Program

How do we the normal people break free from the MOPS, esp. with their \$trillions in resources taken from us over centuries?

Wake, Stand, Walk.

But let's first please watch the [Thrive video](#), from Foster and Kimberly Gamble—which has been viewed 70 million times and counting. Together, Thriveists and Trumanists must bring a groundswell of world attention to the lies and their associated species-ending attacks:

I. Wake to High-Priority Threats

The seven key high-crime assaults are:

1. [Tax Lies](#)—thoroughly exposed and remedied at the practical personal level by The Hendrickson Discovery
2. [False-Flags](#)—the 9/11 attacks/coverup and other major false-flag acts of state terror, many with deep-state, globalist architects
3. [Toxic Skies](#)—covert atmospheric aerosol spraying and electromagnetic bombardment of the ionosphere (HAARP)
4. [Frankenfoods](#)—massive distribution of harmful genetically modified organism (GMO) crops to world populations
5. [Fry & Spy](#)—radio-frequency (RF) and dirty electricity now principally thru electric 'smart' meters: surveillance, health/safety violation
6. [Sliming Baby](#)—medical fascism, particularly via mandated vaccines that whack immune systems and escalate the autism epidemic
7. ['Botting' Junior](#)—compulsory state factory schooling, longtime affliction of the body politic, acculturating kids to prison planet
